

Eight Stages in the Development of the Proximate Self

	identity	longing for	currency	tier
8° violet	I am one with all	re-union, harmony	consciousness - pure unbounded awareness	transpersonal
7° turquoise	I am a product of the unique circumstances of my being	meaning and purpose in my life; release of suffering of others	compassion - identification with other beings	
6° teal	I am the one who chooses which perspectives and abilities to use	mastery over internal conflicts;	integrity - ability to be integrated	intrapersonal
5° green	I am the multifaceted creation of my many experiences	self-awareness in the midst of contradictory impulses	perspectives - holding diverse points of view	
4° orange	I am the one choosing my roles and relationships	mastery over my role and security in my relationships	intimacy - having deep connections with others	interpersonal
3° amber	I am my roles and relationships	acceptance of others and security in my role	esteem - knowing worth in relationship with others	
2° red	I am the one having my experience	mastery over what I am experiencing	possessions - having fine things and using them well	personal
1° magenta	I am my experience	connection to the material world	experiences - attending to everything that arises	
0° beige
